## Product Description

### High Quality Cotton and Terylene Beekeeping Protective Clothing with Round And pencing veil

#### Descriptions of High Quality Cotton and Terylene Bee suit:

The round veil beekeeping clothing is made of high quality cotton and terylene material. This kind of material is very soft and breathable which could make beekeepers comfortable. The veil of our bee hat is also tight which will protects you from the harm of aggressive bees and other insects, such as mosquito. The round shape bee hat left more spaces for beekeepers' neck, so they could move more freely with this hat.

#### Feature High Quality Cotton and Terylene Bee suit:

- A.The cotton and terylene material that allows air to circulate around your body while preventing bees from biting.
- B.It is equipped with a round veil.
- C.The veil can be easily attached/detached with a zipper.
- D.Designed for many years, the beekeeping suit is made of sturdy mesh industrial grade material.
- E. Two choice for round and pencing veil
