PS:The FOB price depends on the quantity of the products which you need!
The more products you need, the cheaper the FOB price will be!

The Differences Between 201 Stainless Steel Wire Spool and 304 Stainless Steel Wire Spool:

The outside look of 304 stainless steel wire spool is almost the same as the 201 stainless steel frame wire spool, but the quality of 304 Stainless steel wire spool is much better than the quality of 201 Stainless steel wire spool. It is more solid and durable than 201 stainless steel wire. Therefore, the price of 304 stainless steel frame wire spool is usually a little higher than 201 stainless steel frame wire spool.

F.A.Q.

1.Are You Factory/Manufacturer or Trading Company?

We are a factory for beekeeping products in China with over 10 years experience. You can trust the quality and price of our products.

2. Do You Offer OEM/ODM Service?

Yes, we have a rich experience in offering OEM/ODM service in some of our products. Design service offered. Buyer label offered.

3. What is your MOQ? Can we get a small order for the first time?

Of course, you can. But we can't send small quantity by sea, so the price will be a little higher than larger quantity.

4. How About the Shipping Cost?

If the order is not large, we can send goods to you through air or express shipping methods such as FEDEX or DHL. If your order is large, we will send it to you by sea. Once the order is placed, we will quote the price to you. Generally, we always choose the most price-efficient option for you!
