Product Description

304 Stainless Steel Honey Tank with Four Handles and Seal of Honey Bottling Tank

Specifications of Honey Tank:

Product Name: 304 Stainless Steel Honey Tank with Four Handles and Seal
Size: D35cm*H35cm
Thickness: 1.2mm
Capacity: 30L
Material: 304 stainless steel material

Features of Honey Tank:

1. This kind of honey tank is made of 304 stainless steel material, which is much more better than the 201 stainless steel material. 304 stainless steel is more solid and it is not easy to rust. So it will keep shining all the time during your use.
2. This honey tank has four handles. Other honey tanks in the market usually only has two or three handles, but this kind of honey tank has one or two more handles than other honey tanks. Therefore, it is more convenient for you to use and more tight to storage the honey.
3. It has seal ring around the lid of the honey tank. This seal ring will protect your honey from leaking out of the honey tank. Even if you are move this honey tank here and there, it is hardly to let the honey inside the tank out.
