Introduction of New Style Fashionable Cowboy Bee Hat:

The hat portion is made half from a light-weight cotton polyester blend and half from polyethylene. The veil portion is made from a light-weight and black colored mesh which runs from front to back. The round shape of the both the hat and the veil will tremendously helps prevent ultraviolet ray from the sun and the attacks from bees. There is extended mesh around the bottom which could be tucked into your beekeeping suit or jacket. It is secured to your body by wrapping and tying the long polyester drawstrings to your chest underneath your shirt or jacket. Therefore, this kind of beekeeping hat will effectively protect beekeeper's head, face and neck.
