## Product Description

### Beekeeping Tall and Thickening Rubber Boots

1. Seamless rain boots that will not break

Both the sole and upper adopt high-temperature one-shot injection process, and the reinforcement process is integrated. There are no gaps, no water leakage or breakage.

2. Non-slip sole

The sole is made of wear-resistant PVC material, which has a deeper and a better anti-skid effect. It is very light, soft and comfortable, and can easily cope with various working environments.

3. Size: 43. 44.45
