Product Description

Bee star new organic white raw high quality acacia honey natural bee honey

Bee Star:100% natural White Acacia honey,also know as locust honey or acacia honey,is a kind of honey made by bees collecting acacia tree nectar. It is known for its unique color,fragrance,and nutritional value.

Product Description

Acacia honey is cheap and abundant, with a sweet taste and a faint floral fragrance. Very suitable for direct consumption or as a cooking ingredient.

Liquid:The one we all know and love.Because liquid honey mixes easily into a variety of foods,it's especially convenient for cooking and baking .

The functions of acacia honey:

1. The fructose content in honey is very high, which is easily absorbed and utilized by the human body
2. Moisturize the intestines and lungs
3. The taste is delicious, sweet and refreshing, sweet but not greasy
4. Improve body immunity
