Product Description

Beekeeping Natural Organic Bee Propolis Capsules Propolis extract soft capsule

A sticky resin material that bees collect from trees and other vegetation. Propolis contains waxes, resins, balms, oils and pollen. Due to its antibacterial properties, it can be used in alternative medicine (tannins, ointments, creams, etc.) Smell Propolis has a special aromatic smell of resin. It tastes slightly bitter and astringent, and has a spicy and pungent taste. We have different content type of propolis capsule, if you want to know more details, please contact us, welcome your order.
