

Beekeeper Beekeeping Equipment Automatic Spoon Honey Packing Machine

Our Product Introduction

for more products please visit us on bee-keepingequipment.com

Basic Information

- Place of Origin: China
- Brand Name: Bee Star
- Model Number: 11QT-10
- Minimum Order Quantity: 1pcs
- Price: USD7980/PCS-USD9277/PCS
- Packaging Details: carton package
- Delivery Time: 10-25 DAYS
- Payment Terms: L/C, T/T, Western Union
- Supply Ability: 1000

Product Specification

- Type: Filling Machine
- Application: Food
- Dimensions: 1320X 1230X 1750mm
- Condition: New
- Highlight: **Beekeeper Beekeeping Equipment, Beekeeper Spoon Honey Packing Machine, Automatic honey spoon filling machine**

Product Description

Automatic spoon honey packing machine/honey filling sealing machine Product description:

1. Frame part: It is welded with high-quality carbon steel and is equipped with solid bolts in contact with the ground.
2. Transmission system: motor, reducer, cam divider, template, transmission chain, etc.
3. The system is controlled by PLC, and the synchronization control action is completed by sending a signal when the template stops.
4. Filling system: The storage tank is made of stainless steel 304, the cylinder stroke works, piston type quantitative filling, non-contact filling, the filling volume can be adjusted freely, the quantitative is accurate, and it has a liquid level control device.
5. Film correction system: Photoelectric eye tracking automatically corrects the film pattern and the cup mouth.
6. Film release system: a sheet of film (vacuum generator) composed of a rotating cylinder, a mechanical arm, a suction cup, etc.
7. Sealing system: It adopts constant temperature (intelligent temperature control) hot pressing for one-time sealing, and the sealing head is a combination of copper and aluminum, which is easy to replace. The sealing pressure is adjustable.
8. Automatic filling and sealing machine adopts chain stepping transmission mechanism. Can work continuously for 24 hours. The use of anti-corrosion materials such as stainless steel, aluminum alloy, and copper conforms to the Food Sanitation Law. The stable and reliable performance is the main equipment of the ideal beverage production line. This machine can automatically (manually) put the cup.

Specification

item	value
Type	Filling Machine
Applicable Industries	Farms, Other, Beekeeper

After Warranty Service	Video technical support
Local Service Location	none
Showroom Location	none
Condition	New
Packaging Type	Cartons
Packaging Material	Paper, Other
Automatic Grade	Semi-automatic
Driven Type	Electric
Voltage	220V
Place of Origin	China
Brand Name	Bee star
Dimension(L*W*H)	44cm*44cm*53cm
Warranty	6 months
	Online support
Key Selling Points	Easy to Operate
Machinery Capacity	Other
Filling Material	Beer, Milk, Water, Oil, Juice, Honey
Core Components	Motor
Product name	Filling machine
speed	80gram/sec
Accuracy	+2grams
Operational temperature	18°C - 35°C
Operational voltage	12V
The diameter	8/10/12/19/25/32 can be choosed
Capacity	50kgs

Company Profile

Bee Star is the one-stop shop for beekeeping equipment and supplies. Our wide arrange of categories and product diversity, together with our competitive prices, allow us to satisfy our clients different demands, such as our clients in South America or Europe, and bring them to a very efficient experience. The heart of our company is located in the city of Chengdu, in China, where our experienced team sets out the best service to our customers; obtaining the best prices, performing regular quality checks on the products, and obtaining the necessary documents to facilitate the entrance of the goods to your country. We are proud of our

way to do business and the good relationships that this allowed us to build with our customers all over the world. Do not hesitate to contact us, we are looking forward to assist you!
