Product Description

Beehive And Frame Unassembled flow hive Plus 7 Honey Flow Frames Inside

Specifications

Name	Langstroth Flow Hive
Material	Chinese fir wood
Color	Wood
Type	Langstroth
State	Unassembled

Product Description

Automatic Beehive takes more love with less labor. Turn the flow button and observe that pure fresh honey flows out of the langstroth beehive and into your jar. No confusion, no fuss, no heavy work, no expensive processing beehive equipment. With a clear final frame view, you don't have to open the hive to see when the honey is ready.

The extraction process was very mild and the bees barely noticed. Our revolutionary Flow system has reduced the pressure on the bees during the extraction process and made it easier for beekeepers. About national beehive , it is made of high quality Chinese fir, good manual work , an fashionable design , which is very durable to use. Until right now , our this product has been exporting to USA, Latin American countries, Australia, Canada , New Zealand so on many countries. And it need to be used with plastic beehive frames flow foundation set together . One flow beehive, one set plastic honey flow foundation.
