## Product Description

### UMF10+ Manuka Honey 250g (MGO260+) of 100% Pure Raw Honey

#### Product Description:

Manuka Honey is farmed and harvested in the rural unpolluted pastures of New Zealand. The indigenous Maori population recognise the unique activity of Manuka Honey and has been using it for centuries. Pure Gold Manuka Honey is tested by an internationally accredited New Zealand Government approved laboratory for MGO the key component that endows Manuka Honey with its unique properties. This honey complies to New Zealand MPI standards which identify this as genuine Manuka Honey. This manuka honey is 100% pure raw honey.
