Company Introduction

Bee star--the most professional one-stop beekeeping platform, who is the first beekeeping group company consisting of several beekeeping products factories. For helping our customers to get the best quality, most competitive price and best after-sales service, we insist our everlasting business principle: Be honest and sincere to all customers, only supply 100% pure natural bee products and good quality beekeeping accessories.

Until now, the whole families and relatives already have more than 1000 beekeeping apiaries, and one honey and royal jelly plant, one beeswax factory, one honey extractor and bee smoker factory, and one beehive factory and one beekeeping outfits factory, And they support each other and help each other to develop together. At the first beginning, the family mainly focused on the domestic market. After satisfied the Chinese inland beekeeping market very well, with the continuous expansion of scale, we established the International Trade Department 10 years ago and started our export journey. Bee star is mainly responsible for exporting the products from the whole group factories. After these years development, We have now developed into a global comprehensive company integrating bee products and beekeeping equipment, processing and sales. We always believe that Superior Quality, Competitive Price and Best Service are the basic principles to help our customers win in the market long termly. We are proud of the way we do business and the way we are building good relationships with customers all over the world. Do not hesitate to contact us, we are looking forward to assist you!

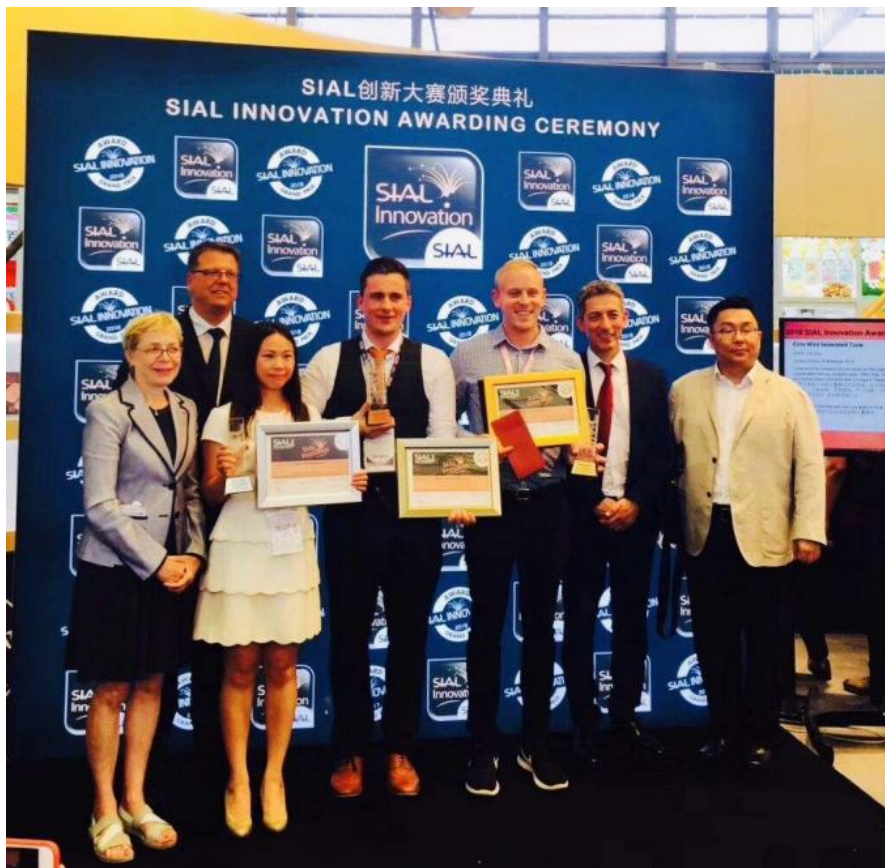

Exhibitions
