We put this new type product on sale to help bee farmers to tight beekeeping tools like the beehives, frames, etc.

The wire tightener is well designed so that beekeepers can tight things up to your requirement(s), especially for DIY enthusiasts who love things to be organized in the way they like.

This is a large machine, but no worries, it's also sturdy and firm even after long time of usage.

If you need a stable supply of this machine, we are your best choice because the qualities are good and its price is quite affordable.

Company Introduction

Bee star--the most professional one-stop beekeeping platform, who is the first beekeeping group company consisting of several beekeeping products factories. For helping our customers to get the best quality, most competitive price and best after-sales service, we insist our everlasting business principle: Be honest and sincere to all customers, only supply 100% pure natural bee products and good quality beekeeping accessories.

Our most popular products in China and the world are : 100% Pure Natural honey, Beeswax, bee pollen, royal jelly and honey extractors, beehives, bee smokers, beekeeping outfits. Wide variety of categories and products, as well as our competitive price, allow us to meet our clients demands. No matter where you are from, what kind of beekeeping products you like, what beekeeping habit you have, here you can find the special beekeeping products to satisfy you and give you a very perfect experience. Bee Star was established from a beekeepers' family since 1950. Beekeeper Fang was very well known in Henan province because he was very professional in beekeeping, his bee colonies were always more stronger than other and could crop more honey, royal jelly and pollen. Because of the real love of bees, he was very diligent in developing beekeeping industry business. His honey, pollen, royal jelly so on

products were very popular in the local market.40 years ago, Fang started to develop his business with his big families and relatives, they increased lots of their honey bee colonies and then built their own small honey plant and beeswax factory.Some others started to produce beehives, wooden frames, bee smokers, honey, extractors, beekeeping clot-hes and so on.

Until now, the whole families and relatives already have more than 1000 beekeeping apiaries, and one honey and royal jelly plant, one beeswax factory, one honey extractor and bee smoker factory, and one beehive factory and one beekeeping outfits factory,And they support each other and help each other to develop together.At the first beginning, the family mainly focused on the domestic market. After satisfied the Chinese inland beekeeping market very well, with the continuous expansion of scale, we established the International Trade Department 10 years ago and started our export journey.Bee star is mainly responsible for exporting the products from the whole group factories. After these years development, We have now developed into a global comprehensive company integrating bee products and beekeeping equipment, processing and sales. We always believe that Superior Quality, Competitive Price and Best Service are the basic principles to help our customers win in the market long termly.We are proud of the way we do business and the way we are building good relationships with customers all over the world.Do not hesitate to contact us, we are looking forward to assist you!

Exhibition
