Product Description

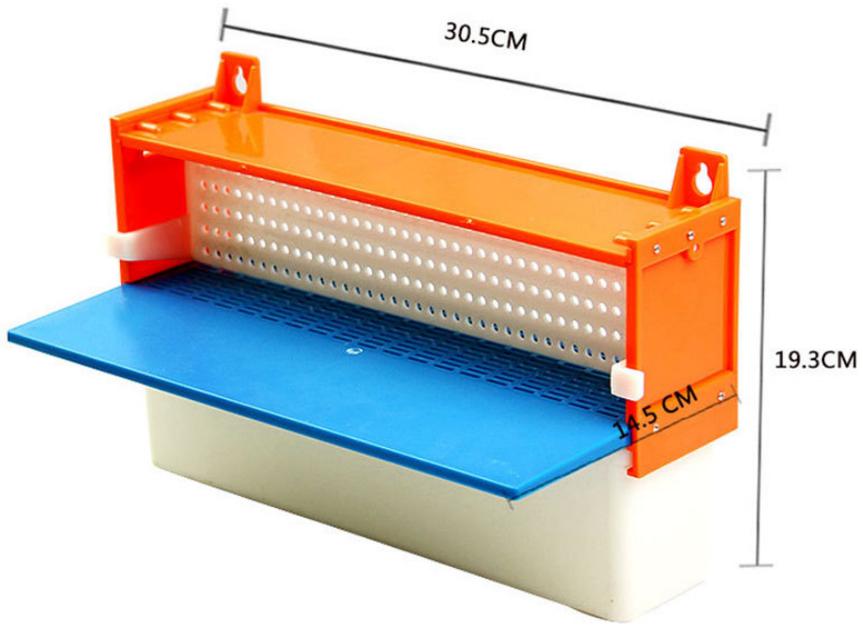

Wholesale Beekeeping Equipments High Quality Plastic Pollen Collector Bee Pollen Trap

100% high quality Flexible Plastic pollen trap

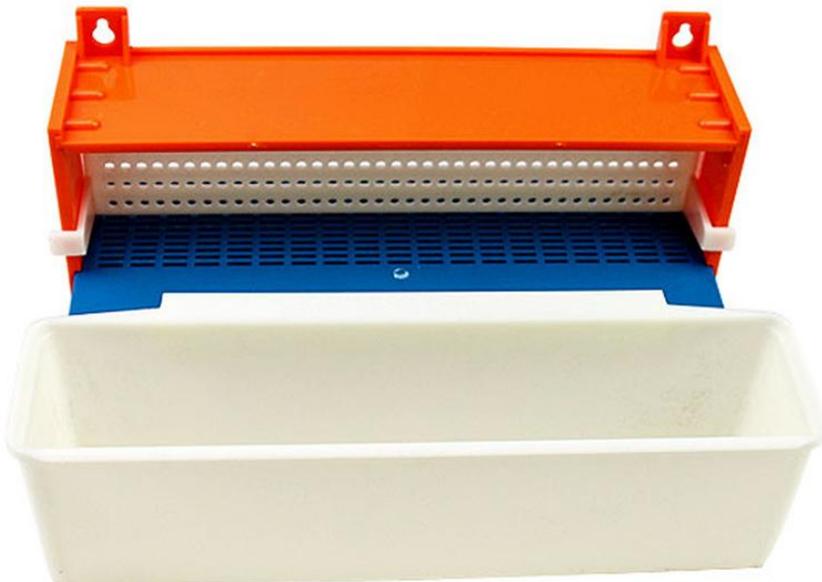

This is a plastic pollen collector with a removable ventilated pollen tray used in beekeeping. The pollen collector is suspended at the entrance of the honeycomb supported by two small holes. Easy to install, no dust or honeycomb waste will enter, thus making the pollen cleaner. The pollen collector can be assembled, ventilated and disassembled. Made of high-quality plastic, it is harmless to bees and durable.
