No matter where you are from, what kind of beekeeping products you like, what beekeeping habit you have, here you can find the special beekeeping products to satisfy you and give you a very perfect experience.

Bee Star was established from a beekeepers' family since 1950. Beekeeper Fang was very well known in Henan province because he was very professional in beekeeping, his bee colonies were always more stronger than other and could crop more honey, royal jelly and pollen. Because of the real love of bees, he was very diligent in developing beekeeping industry business. His honey, pollen, royal jelly so on products were very popular in the local market.

40 years ago, Fang started to develop his business with his big families and relatives, they increased lots of their honey bee colonies and then built their own small honey plant and beeswax factory. Some others started to produce beehives, wooden frames, bee smokers, honey extractors, beekeeping clothes and so on. Until now, the whole families and relatives already have more than 1000 beekeeping apiaries, and one honey and royal jelly plant, one beeswax factory, one honey extractor and bee smoker factory and one beehive factory and one beekeeping outfits factory. And they support each other and help each other to develop together.

At the first beginning, the family mainly focused on the domestic market. After satisfied the Chinese inland beekeeping market very well, with the continuous expansion of scale, we established the International Trade Department 10 years ago and started our export journey.

Bee star is mainly responsible for exporting the products from the whole group factories. After these years development, We have now developed into a global comprehensive company integrating bee products and beekeeping equipment, processing and sales. We always believe that Superior Quality, Competitive Price and Best Service are the basic principles to help our customers win in the market long termly. We are proud of the way we do business and the way we are building good relationships with customers all over the world. Do not hesitate to contact us, we are looking forward to assisting you!
