Product Description

Stainless steel is sturdy, durable, and multifunctional

- 1 The equipment is made of stainless steel material, which has good thermal insulation performance and avoids the risk of scalding operators during work. In addition, the equipment is equipped with safety protection devices to ensure the safety of operation.
- 2 Due to the automatic heating, automatic control, and intelligent boosting functions of the equipment, manual intervention is greatly reduced and production efficiency is improved.
- 3 The equipment is capable of producing wax products with high precision and smooth surface.

Bee Star is the one-stop shop for beekeeping equipment and supplies. Our wide arrange of categories and product diversity, together with our competitive prices, allow us to satisfy our clients different demands, such as our clients in South America or Europe, and bring them to a very efficient experience. The heart of our company is located in the city of Chengdu, in China, where our experienced team sets out the best service to our customers; obtaining the best prices, performing regular quality checks on the products, and obtaining the necessary documents to facilitate the entrance of the goods to your country. We are proud of our way to do business and the good relationships that this allowed us to build with our customers all over the world. Do not hesitate to contact us, we are looking forward to assist you!

Welcome the inquiry and order!

Our advantages

F.A.Q.

1.Are You Factory/Manufacturer or Trading Company?

We are a factory for beekeeping products in China with over 10 years experience. You can trust the quality and price of our products.

2. Do You Offer OEM/ODM Service?

Yes, we have a rich experience in offering OEM/ODM service in some of our products. Design service offered. Buyer label offered.

3. What is your MOQ? Can we get a small order for the first time?

Of course, you can. But we can't send small quantity by sea, so the price will be a little higher than larger quantity.

4. How About the Shipping Cost?

If the order is not large, we can send goods to you through air or express shipping methods such as FEDEX or DHL. If your order is large, we will send it to you by sea. Once the order is placed, we will quote the price to you. Generally, we always choose the most price-efficient option for you!
