Product Description

Stainless steel wax presser with Splash resistant tank

The honey press is a Splash resistant , with a plate on it, a tank around it, which can be pressed down by external force. Due to the high pressure, the wax residue contains less honey, which is a good traditional way to get honey at present.

Product Name: Beeswax press with heating function
package:37*37*55cm
Material :stainless steel
Weight:13kg/pc
Package:1pcs/ctn

 Beestak

Bee Star is the one-stop shop for beekeeping equipment and supplies. Our wide arrange of categories and product diversity, together with our competitive prices, allow us to satisfy our clients different demands, such as our clients in South America or Europe, and bring them to a very efficient experience. The heart of our company is located in the city of Chengdu, in China, where our experienced team sets out the best service to our customers; obtaining the best prices, performing regular quality checks on the products, and obtaining the necessary documents to facilitate the entrance of the goods to your country. We are proud of our way to do business and the good relationships that this allowed us to build with our customers all over the world. Do not hesitate to contact us, we are looking forward to assist you!

Welcome the inquiry and order!

PRICE ADVANTAGE

Factory direct sales, no middlemen price difference.

RICH EXPERIENCE

The products are sold to more than 20 provinces, cities and autonomous regions in China and exported to dozens of countries in Africa and Southeast Asia.

F.A.Q.

1. Are You Factory/Manufacturer or Trading Company?

We are a factory for beekeeping products in China with over 10 years experience. You can trust the quality and price of our products.

2. Do You Offer OEM/ODM Service?

Yes, we have a rich experience in offering OEM/ODM service in some of our products. Design service offered. Buyer label offered.

3. What is your MOQ? Can we get a small order for the first time?

Of course, you can. But we can't send small quantity by sea, so the price will be a little higher than larger quantity

4. How About the Shipping Cost?

If the order is not large, we can send goods to you through air or express shipping methods such as FEDEX or DHL.
If your order is large, we will send it to you by sea. Once the order is placed, we will quote the price to you. Generally, we always choose the most price-efficient option for you!
