## Product Description

### Beestar MGO100+ Raw Manuka Honey Natural Bee Honey from New Zealand 250g

#### Product Description

Manuka Honey MGO100+(UMF5+): 250g per jar, 100% natural from New Zealand.

Manuka honey from New Zealand is 100% natural. It ranges from light amber to dark brown in color, with a rich, slightly malty and caramel-like flavor. Enjoy it straight, in tea or on toast for its unique taste and benefits:

>Supports a Healthy Immune System and Healthy Skin!

>Great as a Digestive Aid, equally as healthy as it is delicious. Daily use can help rebalance the microbiome!

>Helps alleviate Cold & Flu symptoms!

>The Manuka Flower blooms for only 6 weeks out of the year making it the rarest honey in the world!

>Every Ingredient is Sourced From Pristine New Zealand!

It offers a medium level of protection for your body and immune system to help deal with the stresses of everyday life. Ideal for those who may need additional support getting over colds & viruses or feeling run down. Great for the older generation along with those who may be less mobile in helping support their immune system particularly against viruses, coughs & colds. Quickly soothes inflamed bowels or upset stomachs. High Quality reputable source, traceable back to the hive in New Zealand.

Manuka honey, renowned for its unique properties and superior quality, is the purest and most nourishing form of raw honey available.

NZ Bees is proud to be a member of the Unique Manuka Factor Honey Association.

UMF Quality is more than just a number like MGO or NPA. The UMF mark signifies genuineness, quality, Manuka honey only from New Zealand.

We are proudly the member of UMFHA and license number is 2212.
