### Product Description

Our Organic Natural 100% Pure Rape Pollen is sourced primarily from Sichuan Province in southwest China, known for its abundant rape trees. The pollen features a distinctive yellow color with moisture content strictly controlled below 8% and impurity rate maintained under 1%.

We offer a variety of pollen types including rape pollen, tea pollen, and multi-flower pollen. Each type is carefully harvested from its respective flower source - rape flowers, tea flowers, or various wildflowers like sunflowers.
