Texture	Granular

Product Description

Our Organic Natural 100% Natural Multi-flower Pollen is sourced primarily from Sichuan Province in southwest China, known for its abundant wildflower. The pollen features a distinctive yellow color with moisture content strictly controlled below 8% and very high quality.

We offer a variety of pollen types including rape pollen, tea pollen, and multi-flower pollen. Each type is carefully harvested from its respective flower source - rape flowers, tea flowers, or various wildflowers like sunflowers.

About Bee Star

As the most professional one-stop beekeeping platform, Bee Star is China's first beekeeping group company comprising multiple specialized factories. We adhere to our core principle of honesty and sincerity, delivering premium quality beekeeping accessories and 100% pure natural bee products at competitive prices with exceptional after-sales service.

Our Exhibition
