Double food-grade material guarantee, safe for both the elderly and children to use.The empty bottle is made of food-grade PET material, which is resistant to acids and alkalis, low temperatures, and does not absorb odors or release harmful substances when storing honey. It will not deform even when placed in the refrigerator for cold storage.

The press pump head is also made of food-grade PP and silicone materials, free of bisphenol A, and operates smoothly without jamming. The elderly can easily press it out, and children can drink by themselves without spillage. The entire set has passed food-grade safety tests, ensuring both safety and convenience from honey storage to use. It is safe for use by infants, mothers, and people with sensitive skin.

This innovative design combines Sidr honey and water in a single, portable bottle, making it perfect for outdoor activities. When craving honey-water refreshment, just twist the cap, let the honey drip into the water, and shake. Enjoy the delicious blend of natural Sidr honey and water anytime, anywhere!

Company Profile

Bee Star — the most professional one-stop beekeeping platform, is the first beekeeping group company consisting of several beekeeping products factories. We help customers get the best quality, most competitive prices, and excellent after-sales service.

We maintain our business principle: Be honest and sincere to all customers, supplying only high-quality beekeeping accessories and 100% pure natural bee products. With over ten years of honey exporting experience, our products reach Saudi Arabia, UAE, Kuwait, Oman, Germany, France, and other countries.

Three quality inspect procedures to keep quality been satisfied.

More than 8 years' export experience, professional service team and workshop

OEM ODM

Different ways of cooperation to meet the needs of different customers

If you have any questions, we can help you solve them in time

FAQ

1. Are You Factory/Manufacturer or Trading Company?

We are a factory for beekeeping products in China with over 10 years experience. You can trust the quality and price of our products.

2. Do You Offer OEM/ODM Service?

Yes, we have a rich experience in offering OEM/ODM service in some of our products. Design service offered. Buyer label offered.

3. What is your MOQ? Can we get a small order for the first time?

Of course, you can. But we can't send small quantity by sea, so the price will be a little higher than larger quantity.

4. How About the Shipping Cost?

If the order is not large, we can send goods to you through air or express shipping methods such as FEDEX or DHL. If your order is large, we will send it to you by sea. Once the order is placed, we will quote the price to you. Generally, we always choose the most price-efficient option for you!
