About Beestar

Beestar is the most professional one-stop beekeeping platform and the first beekeeping group company consisting of several beekeeping products factories. We maintain strict quality control to provide the best quality, most competitive prices, and excellent after-sales service. Our business principle is to be honest and sincere to all customers, supplying only 100% pure natural bee products and high-quality beekeeping accessories.

Our popular products include 100% Pure Natural honey, Beeswax, bee pollen, royal jelly, honey extractors, beehives, bee smokers, and beekeeping outfits. With a wide variety of categories and competitive pricing, we can meet diverse client demands worldwide.

Established in 1950 by a beekeeping family, Beestar has grown to include over 1000 apiaries, a honey and royal jelly plant, a beeswax factory, a honey extractor and bee smoker factory, a beehive factory, and a beekeeping outfits factory. We have been exporting our products internationally for over 10 years, building strong relationships with customers worldwide.
