Product Description

Propolis Mint Toothpaste - Natural Whitening & Tartar Control

A premium oral care solution enriched with natural propolis extract and essential oils for gentle yet effective cleaning, whitening, and gum protection.

Key Benefits

Propolis Extract: Known as "purple gold" for its rarity, propolis has astringent and tissue-regenerating properties that help maintain oral hygiene and protect gums

Gentle & Low-Foaming: Micro-foaming surfactants create fine, dense foam that's easy to rinse while being gentle on sensitive gums

Compound Essential Oils: Contains eucalyptus globulus leaf oil (natural bacteriostatic) and clove oil (rich in eugenol) to inhibit bacteria and alleviate oral inflammation
