Product Description

Handmade Organic Honey Soap Natural Honey Soap Vitamin Face Clean Body Wash Coconut Whitening Honey Soap for All Skin Types

Product Features

Ingredients: 10% high-quality acacia honey, coconut-derived surfactants, Pentavitin®, composite soap base

Key Benefits: Enriched with 10% honey (significantly higher than ordinary honey soaps) for authentic honey-like moisturization

Composite surfactants for a gentler, pH-neutral cleanse

Infused with DSM's Pentavitin® to hydrate and lock in moisture while washing

Pleasant sweet honey fragrance that uplifts the mood

Ideal For: Dry skin, mature skin, and sensitive skin types

Usage Instructions

Lather up with a bubble net or hands, adding water gradually to create a rich foam. Gently cleanse the face with the foam, enjoying its "cotton candy"-like texture.
