Basic Information

- Place of Origin: China
- Brand Name: BeeStar
- Model Number: 11HN-0908
- Minimum Order Quantity: 1pcs
- Price: \$93-\$110.3/pcs
- Packaging Details: Carton
- Delivery Time: 5-30 working day, depending on the order quantity
- Payment Terms: L/C,T/T,Western Union
- Supply Ability: 1000pcs per month

Product Specification

- Applicable Caliber: 20-130mm
- Input Power Supply: 220V
- Weight: 3KG
- Overall Dimension: 310mm * 260mm * 130mm
- Working Environment: 10-40
- Place Of Origin: China

Product Description

Mini Manual Electromagnetic Induction Sealing Machine with Copper Coil and 100-500W Adjustable Power

Manual Electromagnetic Induction Sealing Machine for cups, cans, and plastic containers. This mini sealing machine offers efficient and reliable sealing solutions for various packaging needs.

Key Features

- White case constructed from durable new material for long-lasting performance
- Independent handle head designed with thickness for comfortable, fatigue-free extended use
- Tightly wound copper coil with higher density for faster heating and superior temperature resistance
- Enhanced coil design prevents burning and ensures consistent performance
- Newly developed 100-500W motherboard with adjustable power settings for lower energy consumption and enhanced safety

Technical Specifications

Place of Origin	China
Brand Name	Bee star/customized
Model Number	11HN-09-4
Applicable Industries	Farms, Home Use, Retail, Beekeeper, Apiculture
Product Name	Honey/jam/cream Sealing machine
Material	Metal
Rated Power	60~120W
Size	400mm*250mm*260mm
Speed	1000 bottles/day
Available Temperature	10~40

Input Power	AC220V+10%			
Bottle material	Non-metallic bottle body and cap			
Output current	Static < 2A Dynamic< 8A			
Sealing range	20-85MM	20-130MMM	10-50MM	20-90MM
Temperature	10-40°C			
Weight	3KG	3.3KG	3.3KG	1KG

Manufacturer Profile

We are a leading manufacturer and supplier of beekeeping equipment and bee products from China. Our comprehensive product range includes bee suits, gloves, bee smokers, honey extractors, beeswax foundation sheets, beeswax foundation machines, bee hives, frames, hive tools, bee pollen, royal jelly, propolis, and more.

As a factory-direct supplier, we offer customized solutions and maintain competitive advantages in both pricing and quality. Please feel free to contact us regarding any of our products.

Frequently Asked Questions

How could you buy from us without import and export experience?

Don't worry about import/export procedures. Our professional customer service team will provide guidance and assistance throughout the entire process.

How to calculate the freight of the products?

Freight is determined by the type and quantity of products ordered. We will recommend the optimal transportation mode based on your specific purchase requirements.

What is the MOQ of the product?

Minimum order quantity varies by product. We recommend ordering sufficient quantities to utilize sea freight, which offers the most cost-effective transportation option.

Do you offer OEM/ODM service?

Yes, we have extensive experience providing OEM/ODM services for our products. Please contact us to discuss customization details.
